The "PEERLESS,"

The Best Cooking Stove ever made for Coal or Wood.

With or without Extension Top. Nos. 7½, 8, 8½, and 9.

The "PEERLESS" has all the advantages of the popular Stoves in use, together with such NEW FEATURES as justify the manufacturers in calling it the BEST COOKING STOVE in the market.

It is the "PEERLESS" because it is superior to all other Cooking Stoves in *Economy*, *Simplicity*, *Cleanliness*, *Baking*, *Roasting*, and *Beauty*. 1st. Economy. A patented method of heating the air and conveying it through the oven, saves from *twenty to thirty per cent. of fuel*. 2d. SIMPLICITY. It is easily managed. The fire can be perfectly controlled, and kept through an entire season without rekindling. 3d. CLEANLINESS. No dust escapes while shaking or dumping the grate. 4th. BAKING. Its large oven, wherein all parts are of *equal* temperature; bakes as *evenly as a brick oven*, and that without turning the article. It bakes quickly. 5th. ROASTING. A current of hot air constantly passing through the oven so thoroughly ventilates it that it *roasts as well as a Tin Kitchen*. 6th. BEAUTY. Made of the best iron it will not crack. Well moulded, artistically designed, and smoothly cast, it is the most *beautiful*, as well as the most *serviceable* Stove in the market. Each Stove is WARRANTED to be and to do all that is claimed for it. In all the requisites of a first-class Cook Stove, the "Peerless," as its name indicates, has no equal in the market.

The Model Furnace,

MANUFACTURED BY THE

BARSTOW STOVE COMPANY,

A GOLD MEDAL was awarded to this celebrated Furnace, at a recent Fair of the Massachusetts Charitable Mechanics' Association, and the ONLY GOLD medal ever awarded any Furnace by this Association. It has also received another GOLD MEDAL (first premium), at the Middlesex Mechanics' Exhibition, at Lowell, 1867.

This justly celebrated Furnace, now in such extensive use throughout the country, is now in much greater demand than ever, since the recent improvements have been added. Once seen it must convince every one that it is the most PERFECT plan for WARMING buildings in this country. Thousands of commendations and references have been received from

Churches, Schools, Hospitals, Asylums, and Public and Private Buildings

of all kinds, which may be seen on application;

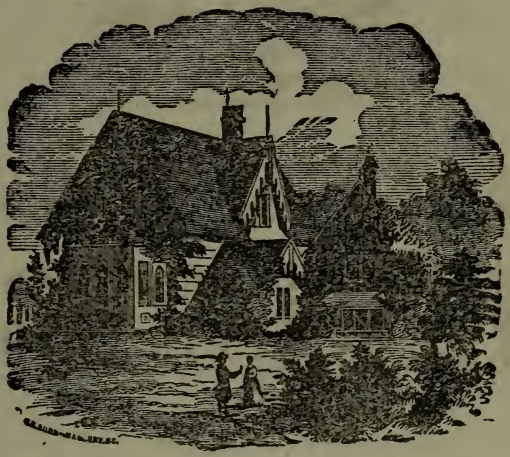
Office, 120 Green Street, Cambridgeport, Mass.



We respectfully call the attention of the public to a few facts determining why our

IS SUPERIOR TO ANY IN USE.

1st. It is made from *MAGNETIC IRON*, manufactured expressly for LIGHTNING ROD PURPOSES only, 5-8ths square-grooved, spiral twisted, and galvanized, and connected with pure COPPER COUPLINGS, rendering it superior to any other rod, the whole surmounted with a GOLD-PLATED CLUSTER POINT OF PURE COPPER, thus forming a continuous rod from the point to the ground, and by a combination of metals forming a GALVANIC BATTERY in the Rod.

2d. Our STAR GALVANIZED ROD is WARRANTED always to remain BRIGHT and CLEAN, and never CORRODE, or RUST, thus presenting a neat, ornamental appearance on the building, worth more than its cost as a matter of ornament, say nothing about its SURE PROTECTION AGAINST LIGHTNING.

WHITE'S
Specialty for Dyspepsia.

This is not a new preparation, to be tried and found wanting. It has been prescribed daily for many years in the practice of an eminent physician, with unparalleled success. It is NOT expected or intended to cure all the diseases to which the human family is subject; but

IS WARRANTED TO CURE DYSPEPSIA

in its most obstinate form, relief being always obtained from the first use, and a permanent cure obtained when properly continued.

Some of the Symptoms of Dyspepsia

Are Loss of Appetite, Wind and Rising of Food, Dryness in the Mouth, Heartburn, distension of the Stomach and Bowels, Costiveness, Headache, Dizziness, Sleeplessness, and Low Spirits. Unless checked it surely affects the mind as well as the body, and unfits one for the duties of life in a short time. These are all removed by the use of WHITE'S SPECIALTY FOR DYSPEPSIA.

TESTIMONIALS.

BOSTON, Sept. 1, 1871.

DR. H. G. WHITE. Dear Sir,—Regarding your "Specialty for Dyspepsia," I would say I have used it with the best results.

I have been a sufferer for five years, my food distressing me, but now can partake heartily without inconvenience.

I was affected with dizziness so much as to fall in the street; that trouble is also removed.

I have tried many preparations without relief; but I recommend your remedy as one deserving the confidence of all

Yours truly, C. A. Holt,
Real Estate Broker, 191 Friend Street, Boston.
Residence, Union Street, East Somerville, Mass.

CAMBRIDGEPORT, MASS, March, 1871.

MR H. G. WHITE. Dear Sir,—I take pleasure in informing you of the cure effected in my mother's case by your "Specialty for Dyspepsia."

Before using it, she had been for a long time very low, and for five weeks was unable to partake of any thing more hearty than a spoonful of light broth without suffering. After taking one bottle, she was able to eat meat and other food without inconvenience

She has used three bottles, and considers herself cured

Yours respectfully,
HENRY T. WELTCH, Riverside Market.

HOPKINTON, MASS, May, 1871.

MR. H. G. WHITE. Dear Sir,—The dozen of "Specialty for Dyspepsia," purchased by me is sold. I know of two cases of chronic Dyspepsia which has baffled the skill of several physicians in this vicinity. By the use of your remedy, I consider them permanently cured. Please send me another lot, and oblige, Yours,

PREFACE.

In giving to the public volume *twenty-one* of the Cambridge Directory (being volume *nineteen*, according to the old numbering), we proceed to correct an error in reckoning, existing from the year 1848, and one of later date. The following brief outline will be historically interesting, besides furnishing the needed corrections.

The first number of this work, published by James French, in 1847, was styled "the Cambridge Almanac and Business Directory," and although it did not give a list of the inhabitants, with their residences, it embraced so much local information in sixty-eight pages, immediately after Cambridge became a city, that it deserves to stand at the head of the series. In 1848, John Ford published the work, under the title of "the Cambridge Directory," which contained a general directory of citizens, and a business directory, making 112 pages besides advertisements. This should be reckoned volume two. Mr. Ford published the work for nine years,— seven volumes under the title of "the Cambridge Directory and Almanac," in 1849, 1850, 1851, 1852, 1853, 1854, 1855, 1856, and one— 1857, as "the Cambridge Directory," since which it has gone by that name. In 1859, John D. Baldwin published the eleventh volume; in 1860, Thurston, Miles & Pritchett the twelfth; and in 1861, Thurston & Miles the thirteenth. In July 1863, George Fisher published the fourteenth, for 1863-4. By inadvertence, it was numbered the same as its predecessor of 1861, *twelve*. It was doubly valuable, however, as containing a list of the Cambridge Soldiers in the War for the Union. The present publisher began his work with a large sized 12mo. for 1865-6, and received such encouragement, that it has since been issued in royal octavo form,— viz. for 1866-7, 1868, 1869, 1870, 1871, and the present volume, the *twenty first*. As the work is of full age, it shall speak for itself. Thus saith the historian, A. J. Coolidge, Esq. who takes much pains about our city affairs.

The present editor and publisher, will hold himself ready to correct former mistakes in this annual. If some of the local newspapers shall do likewise, they may, thereby, increase their fame for critical integrity. We have endeavored to collect all the facts contained in this work, from original sources. Several boarding-house keepers, however, have refused to give us the names of their boarders, saying that the boarders did not wish to have their names inserted in the Directory, being transient persons.

Two of the canvassers, who have been employed this year are residents of Cambridge, and two reside in Boston. If they have been faithful according to their ability, and done their duty, the list of names will be found full and accurate.

Many thanks are due for favors and polite assistance and patronage. These things will be remember d, and ever lighten our toil in the future compilation of the work.

THE

GRANITE

ROOFING CO.

Respectfully ask the attention of Builders and all others interested in Building operations, to a roofing material which has been in use nearly three years, and which is admitted to be better and more economical than any other for the covering of flat roofs.

This Roofing is Superior to Tin,

For the following reasons: It will not rust; it will not crack at the joints; it requires no painting, which will amount in a few years to the original cost of the Granite Roofing. Its first cost is less than half as much, and it will last twice as long. This material is

Superior to Gravel Roofing,

Because it is only one-fifth as heavy. It forms a smooth surface, shedding snow and water freely. It will not choke the gutters with gravel and cement. It will not run over the eaves of a building in hot weather, defacing the walls with streaks of coal tar. It *will not crack* in *cold* weather. It can be applied with equal facility to STEEP or FLAT roofs. **It is as acceptable to Insurance Companies as Tin, Zinc, or Iron.**

Samples shown and references given at the office of the **GRANITE ROOFING CO.**

Choate's Odonto

Is the admiration of the Ladies. Gives the breath an agreeable flavor. Is one of the few preparations children delight to use.

Choate's Odonto

Is used by smokers to remove stains and sweeten the breath. Its success is largely due to its satisfactory results.

Choate's Odonto

Gives the Teeth a lasting and pearly whiteness, polishes the enamel and removes spots of insipient decay.

Choate's Odonto

Removes all Tartar, Mucus or Greenish Incrustation from the Teeth. May be used with safety and cannot fail to give entire satisfaction

Choate's Odonto

This elegant Preparation, established by more than twenty years' experience and numerous testimonials from Dentists and others, is submitted to the public as that great desideratum—a thoroughly satisfactory and perfectly safe Dentrifice. It is composed of vegetable substances, blended with a variety of the most fragrant compounds, and is absolutely free from the least admixture of any mineral or injurious ingredient. Its taste is most agreeable, whilst it is distinguished from all other Preparations by its extraordinary efficacy in removing tartar, ensuring to the Teeth the most beautiful and pearly whiteness, and by its corrective and astringent properties inducing a healthy action of the Gums, and a consequent firmness and brightness of color. It gives peculiar sweetness to the breath, and, if used regularly, will preserve the Teeth and Gums in a sound and Ornamental state to old age.

"FRANKLY SPEAKING, WE AVER THAT 'THE LIVING AGE' HAS NO EQUAL IN ANY COUNTRY."—*Philadelphia Press.*

"IT STANDS AT THE HEAD OF NINETEENTH CENTURY LITERATURE, HOWEVER CRITICALLY CONSIDERED"—*Chicago Evening Journal.*

Littell's Living Age.

Of which more than *One Hundred Volumes* have been issued, has received the commendation of Judge Story, Chancellor Kent, President Adams, Historians Sparks, Prescott, Bancroft, and Ticknor, Rev. Henry Ward Beecher, and many others; and it admittedly "continues to stand at the head of its class."

Issued every Saturday, it gives fifty-two numbers of sixty-four pages each, or more than

Three Thousand Double-Column Octavo Pages

of reading-matter yearly; and is the **only compilation** that presents, with a **satisfactory completeness** as well as freshness, the best Essays, Reviews, Criticisms, Tales, Poetry, Scientific, Biographical, Historical and Political information, from the entire body of Foreign Periodical Literature, and from the pens of the

Ablest and most cultured Living Writers.

It is therefore indispensable to every one who wishes to keep pace with the events or intellectual progress of the time, or to cultivate in himself or his family general intelligence and literary taste.

Extracts from Notices.

From Rev. Henry Ward Beecher.

"Were I, in view of all the competitors that are now in the field, to choose, I should certainly choose 'THE LIVING AGE. . . . Nor is there, in any library that I know of, so much instructive and entertaining reading in the same number of volumes."

From the Nation, New York.

"The best of all our eclectic publications."

From the Philadelphia Inquirer.

A constant reader of 'Littell' is ever enjoying literary advantages obtainable through no other source."

From the Illinois State Journal

"It has more real, solid worth, more useful information, than any similar publication we know of. The ablest essays, the most entertaining stories, the finest poetry of the English language, are here gathered together."

From the New York Tribune.

"The selections always indicate a refined and catholic taste, and a happy art of catering to the popular demands, without lowering the standard of sound literature."

From the Lutheran and Missionary, Philadelphia.

"An extraordinary value marks many of the articles of this publication, because they are the productions of the ablest men of our times."

From the Pacific, San Francisco.

"Its publication in weekly numbers gives to it a great advantage over its monthly contemporaries, in the spirit and freshness of its contents."

From the Advance, Chicago.

"Every weekly number of 'Littell's Living Age' now-a-days is equal to a first-class monthly. For solid merit, it is the cheapest magazine in the land."

From the American Churchman, Chicago.

"It has always seemed to us to contain the best poetry, the most able essays and criticisms, and the most interesting stories, of any magazine in the English Language.

From the Christian Register, Boston.

"It has never borne the marks of more careful research and wiser selection than it does now."

From the Christian Examiner, Richmond.

"It is the great eclectic of this country."

From the Chicago Daily Republican.

"It occupies a field filled by no other periodical. The subscriber to 'LITTELL' finds himself in possession, at the end of the year, of four large volumes of *such reading as can be obtained in no other form*, and comprising selections from every department of Science, Art, Philosophy, and *belles-lettres*. Those who desire a THOROUGH COMPENDIUM of all that is admirable and noteworthy in the literary world will be spared the trouble of wading through the sea of reviews and magazines published abroad; for they will find the essence of all compacted and concentrated here."

From the Chicago Journal of Commerce.

"We esteem it above all price."

Published weekly at $8.00 a year, *free of postage.* An extra copy sent gratis to any one getting up a Club of five New Subscribers. Address,

LITTELL & GAY, Boston.

The best Home and Foreign Literature at Club Prices.

For *Ten Dollars*, LITTELL'S LIVING AGE, weekly, containing the cream of Foreign Periodical Literature, and either one of the leading Magazines of Home Literature named below, will be sent to one address for one year; viz.,—

CLIFFORD . . . PERFUMER,

No. 40 Bromfeld St.

BOSTON.

A SPECIALTY OF PERFUMERY.

Lubin's Extracts by the Ounce.

Samples of all the kinds kept open for inspection.

A FEW FACTS CONCERNING THEM.

In order to save our customers the expense of paying for GROUND GLASS STOPPERED VIALS (with more glass than capacity for Perfumery), and fancy labels (the getting up of which are very expensive, and always, finally to be paid for by consumers), we put Our Very Choicest Perfumes up (in quantities to suit), in plain, but neat vials, and charge so much an ounce.

We would also invite the attention of our patrons to the fact that when Perfumery is bought in a store, under ordinary circumstances, the different kinds cannot be inspected, since opening the vials would spoil their appearance and subsequent sale, therefore the quality of what is bought is not known until paid for; neither is there the same opportunity for choosing between DIFFERENT KINDS of Perfume by parties unacquainted with the names, that we offer by exhibiting samples. This fact can not help being appreciated by all fond of grateful odors and in habit of paying the high prices for inferior articles for want of knowing WHERE or HOW to get good ones.

BEWARE OF COUNTERFEITS.

PAPER HANGINGS,

Destined to be the Standard Bible Commentary in America.

THE UNABRIDGED AND ENLARGED EDITION

—OF—

DR. WILLIAM SMITH'S

DICTIONARY OF THE BIBLE.

The Original English Edition reproduced without mutilation, text and illustration complete, with manifold textual errors corrected, and important additions made under the direction of the two MOST COMPETENT Editors in America,

HORATIO B. HACKETT, D.D., and EZRA ABBOT, LL.D.

The American publishers take pleasure in announcing to the large Bible-studying class of the community, the completion of the work upon which they have been engaged for four years past. The importance of the interests involved, and the conscientious care of the Editors, have compelled a slow succession of the numbers; but the work is now done, and they do not hesitate to claim for the Dictionary a place at the head of Bible Dictionaries in the English tongue. Its superiority to the English edition of the same work is apparent to the most casual observer, and *that* work has hitherto held the chief place of honor. It will doubtless be long before a work appears of this character, representing the scholarship of Christendom, and the acumen and good taste of the most fair-minded men in the English and American churches.

"Compared with other Bible Dictionaries, Smith's is in its own field, quite incomparable. . . . . For a pure Bible Dictionary the American edition of Smith is unrivaled in the language." — *The Independent.*

"It is worth more on a Bible reader's desk than fifty commentaries." — *Howard Crosby.*

"We welcome its publication as, in its own department, the noblest monument which we have of combined British and American research and scholarship." — *Congregationalist.*

"It is my conviction that there is no work extant in the English language that may be fairly said to rival Dr. Hackett's edition of Smith's Dictionary, in regard to the amount of information that it condenses, its adaption to the needs of the Biblical teacher, and its *reliability* when tried by the highest standards of criticism." — *Rev. William Hague, D.D.*

"There cannot well be two opinions about the merits of Smith's Bible Dictionary. What was, to begin with, the best book of its kind in our language, is now still better." — *Roswell D. Hitchcock.*
